

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF EAST KENTUCKY POWER)	
COOPERATIVE, INC. FOR AN ADJUSTMENT)	CASE NO. 94-336
OF RATES)	

O R D E R

On October 13, 1994, East Kentucky Power Cooperative, Inc. ("EKPC") applied to the Commission for an adjustment of rates. In its filing, EKPC requested a deviation from the requirements of 807 KAR 5:001, Section 10(6)(n) and (s).

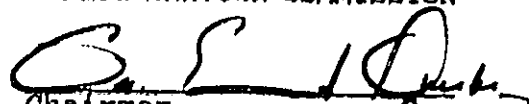

807 KAR 5:001, Section 10(6)(n), requires that a summary of the latest depreciation study with schedules by major plant accounts be submitted with the application. Section 10(6)(s) requires the submission of the Securities and Exchange Commission's ("SEC") annual report for the most recent two years, Form 10-Ks and any Form 8-Ks issued within the past two years, and Form 10-Qs issued during the past six quarters. EKPC states that it does not perform depreciation studies and does not prepare reports for submission to the SEC because it is not subject to SEC regulation.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately EKPC's filing. Therefore, its request for a deviation from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that EKPC's request for a deviation from the requirements of 807 KAR 5:001, Section 10(6)(n) and (s), is hereby granted.

Done at Frankfort, Kentucky, this 28th day of October, 1994.
